- UN LAUNCHED 13-YEAR STABILIZATION MISSION IN HAITI (MINUSTAH)
- UN CARRIED OUT OVER 15 MILITARIZED OPERATIONS IN CIVILIAN NEIGHBORHOODS
- OVER 30,000 HAITIANS DIED AS A RESULT

2017 MINUSTAH DISBANDED AND REPLACED WITH THE UNITED NATIONS INTEGRATED OFFICE IN HAITI (BINUH).

- UN PRESENCE AND INFLUENCE ON THE ISLAND'S POLITICS CONTINUES TO THIS DAY

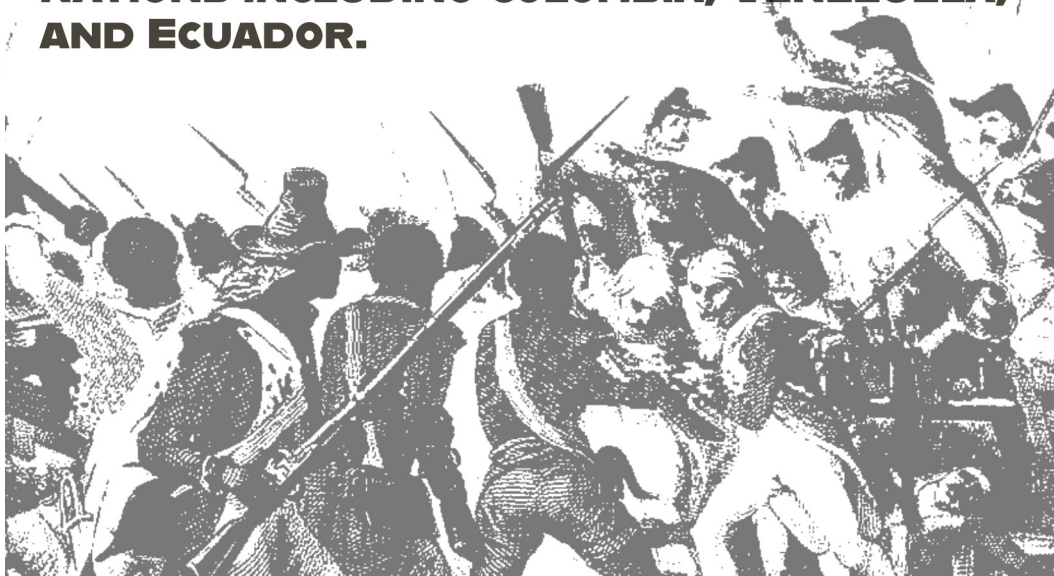
ONE STRUGGLE

BOTH COUNTRIES ARE SURVIVING DECADES OF FOREIGN INTERVENTION AND STATE SANCTIONED VIOLENCE.

ISR*EL HAS HAD A HAND IN THIS TERROR BY TRAINING AND AIDING HAITIAN POLICE FORCES WHO ATTACK, SILENCE, IMPRISON, AND EVEN KILL HAITIANS WHO ARE RIGHTFULLY PROTESTING FOR THEIR NATION'S SOVEREIGNTY.

SELF DEFENSE

OUR SOLIDARITY WITH PALESTINE LIES NOT ONLY IN OUR SHARED FIGHT AGAINST ISR*ELI AND AMERIKKKAN IMPERIALISM. HAITI LIBERATED OUR ENTIRE ISLAND FROM EUROPEAN FORCES AND WAS INSTRUMENTAL IN SUPPORTING DECOLONIZATION MOVEMENTS OF OTHER LATIN AMERICAN NATIONS INCLUDING COLOMBIA, VENEZUELA, AND ECUADOR.



ONE ENEMY

During the Duvalier dictatorship in Haiti, isr*el provided the dictator Uzi machine guns, armored vehicles, and devices for placing weapon systems on aircrafts.

The Duvalier rule was responsible for the murder of between 30,000-60,000 Haitians and strongly supported isr*el.

When human rights activists tried to get documents from the Ministry of Defense about the relationship between Haiti and isr*el the request was denied because "releasing the documents could greatly embarrass the state the original documents contained racist and derogatory language towards Haitians mocking their poverty and skin color" and they feared that this would strengthen the boycott movement against isr*el.

2021 The assassination of Jovenel Moïse

2023 UN security council approved 1000 Kenyan police to help fight gangs.

United States promised 200 million dollars to help support Kenya.

WHY IS KENYA INVADING?

Kenya seeks to garner favor with western powers.

WHAT CAUSED THE GANGS?

-Years of destabilizing intervention.
-Guns from Florida and guns intended for Haitian government usage.

foreign invasion of Haiti has never brought stability or peace. Instead what is required is sovereignty.
